- Mechanical Engineering
- Environmental and Biological Chemistry
- Nuclear Technology Application

Department of Social System Engineering

- Civil Engineering
- Architecture
- Design
- Management Information Science

Faculty of Sports and Health Sciences

Department

- Sports and Health Sciences

Fukui lies along the Sea of Japan, not far from Osaka or Kyoto. With the sea to the west and beautiful snow-capped mountains to the east, Fukui enjoys splendid scenery year-round. Visitors flock to Fukui to ski its numerous slopes, admire the rocky coastline, sunbathe on the sandy beaches, or relax in a hot spring.
