**About Fukui University of Technology**

**UNDERGRADUATE**

**Faculty of Engineering Department**
- Electrical and Electronics Engineering
- Mechanical Engineering
- Architecture and Civil Engineering
- Applied Nuclear Engineering

**Faculty of Environmental and Information Sciences Department**
- Environmental and Food Sciences
- Management and Information Sciences
- Design

**Faculty of Sports and Health Sciences Department**
- Sports and Health Sciences

**GRADUATE SCHOOL**

**Department of Applied Science and Engineering**
- Electrical, Electronic and Computer and Engineering
- Space Information Science
- Mechanical Engineering
- Environmental and Biological Chemistry
- Nuclear Technology Application

**Department of Social System Engineering**
- Civil Engineering
- Architecture
- Design
- Management Information Science

Fukui lies along the Sea of Japan, not far from Osaka or Kyoto. With the sea to the west and beautiful snow-capped mountains to the east, Fukui enjoys splendid scenery year-round. Visitors flock to Fukui to ski its numerous slopes, admire the rocky coastline, sunbathe on the sandy beaches, or relax in a hot spring.
