## Introduction

Founded in **1897**, Kyoto University is the second oldest university in Japan. As an international institution with 50 overseas centers and facilities, it is dedicated to providing a free-thinking academic environment with a global perspectives.

Kyoto University states its mission to sustain and develop its historical commitment to **academic freedom** and to pursue **harmonious coexistence** within human and ecological community on this planet.

Kyoto University is acknowledged as one of **the most accomplished research-oriented universities** in Asia. The validity of that reputation is testified by the accolades conferred on our alumni and researchers, most notably nine Nobel Prize laureates who undertook vital research during their time at the university.

- Faculty members 4,094
- Non-teaching staff 3,004
- Number of Students 22,862
  - Undergraduate 13,511
  - Graduate 9,351
- 2,091 International students
- 10 Faculties
- 18 Graduate Schools
- 14 Research Institutes
- 24 Centers and Facilities
- 9 Nobel Laureates

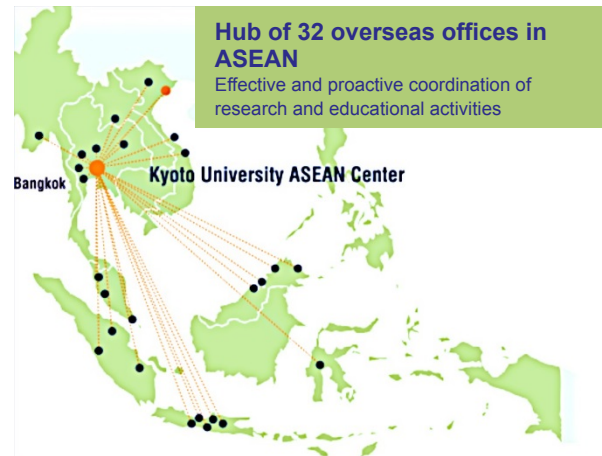

## Major Activities

### ASEAN Center since 2014

Kyoto University has been actively involved in research and educational activities in the ASEAN region for many years.

Located in central Bangkok, Thailand, the ASEAN Center acts as a focal point to support Kyoto University's research and educational partnerships across the ASEAN region.

The ASEAN Center will explore new horizons in advanced sciences through ASEAN and Kyoto University's relationships based on En (縁) and Wa (輪) aiming to enrich ASEAN's potential and to produce a global academic center of excellence.

### Center for Southeast Asian Studies (CSEAS) Bangkok Liaison Office since 1963

Established in 1963, The Bangkok Liaison Office of the Center for Southeast Asian Studies has been acting as a hub for interdisciplinary collaboration and research in area studies.

Bangkok Liaison Office Opening Ceremony (Feb. 1964)

**Research:** To generate world-class knowledge through freedom and autonomy in research that conforms with high ethical standards.

**Education:** To transmit high quality knowledge and promote independent and interactive learning

**International Collaborations:** To encourage cooperation with local and national society and disseminate knowledge informed by the ideals of freedom and peaceful coexistence.
