About University

At Shizuoka University, you will be a part of an academic community, which works hand-in-hand with local communities to find solutions for today's challenges.

Shizuoka University actively strives towards internationalization. In 2015, over 320 international students from 30 countries, both graduate and undergraduate, are studying and are engaged in research.

Special features

Asia Bridge Program (ABP)

✓ Exemptions for examination & enrollment fees + Reductions in tuition fees

✓ Intensive Japanese language course with professional education

✓ Supported by local-global Industry

ABP is a product of the coordination between university, local governments and internationally expanding corporations in Shizuoka. It is designed to train indispensable and capable human resources who can act as a bridge between Shizuoka and Thailand.

ABP website:

<http://www.abp.icsu.shizuoka.ac.jp>

Alumni in Thailand

Shizuoka University's Alumni Association in Thailand, functions as a network for graduates of Shizuoka Univ. and the business people from Shizuoka-based companies, who are working in Thailand.

We hold academic, social and cultural events to maintain and strengthen the relations in between the members and the University.
