What is TIU?

- Private university, founded in **1965**
- Home for **6,200** students, including more than **900 international students** from over **50 countries**.
- International faculty and staff, offering **diverse education and multicultural supports**.
- **Convenient location**, offering both historical atmosphere of Kawagoe city and easy access to metropolitan Tokyo.
- **E-track program since 2014**, all courses leading to your degree are in **English**
- Generous scholarship programs offering tuition reduction by **30%, 50%, 80% or 100%**

We Are TIU!

Live in Japan, study for your degree in English.

Why choose TIU?

- Small class size of **15-20 students per class**
- **Japanese is not required for enrollment**, however, by attending intensive courses at TIU, professional Japanese level is expected by graduation
- **1-on-1** career consultation supports on campus
- **International dormitory**, fully furnished, secured for first year students

- Benefit from **TIU's partnership** with a renowned university in the US
- **Affordable** living cost, **part-time jobs** available on and off campus
- **Easy online application**, local seminar and consultation free of charge
