Introduction

Tohoku University was founded in Sendai as the third Imperial University in 1907. It became the first Japanese university to accept female students.

Under its "Research First", "Open-Door" and "Practice-Oriented Research and Education" principles, Tohoku University has become one of Japan's leading universities.

The number of students is 17,885 including 1,944 international students. There are 6,477 full-time academic and administrative staff including 195 international academic staff as of May 2016. Tohoku University has exchange agreements with about 700 institutions in 61 countries and regions and has 18 overseas offices in 11 countries as of May 2017.

10 Faculties / Schools
