Introduction

Tohoku University was founded in Sendai as the third Imperial University in 1907. It became the first Japanese university to accept female students.

Under its "Research First", "Open-Door" and "Practice-Oriented Research and Education" principles, Tohoku University has become one of Japan's leading universities.

The number of students is 17,885 including 1,944 international students. There are 6,447 full-time academic and administrative staff including 219 international academic staff. Tohoku University has exchange agreements with 600 institutions in 60 countries and regions and has 16 overseas offices in 11 countries.
