Introduction

- ◆ **Inauguration:** 28 June 2012
- ◆ **Objectives:** To develop a vibrant and collaborative research community in Science and Technology and to resolve shared challenges in the East Asian region.
- ◆ **Member Organizations:**
17 Member Organizations from 12 countries (as of July 2016)

 Cambodia MOH	 Indonesia RISTEK	 JAPAN MEXT (JST) and AMED	 Lao PDR MOST and MOH	 Malaysia MOSTI	 Myanmar MOST
 NZ HRC	 Philippines DOST	 Russia RFBR	 Thailand NSTDA, ARDA and TCELS	 U.S. NIAID and NCI	 Vietnam MOST

The e-ASIA JRP is composed of Funding Agencies from East Asia Summit (EAS) participating countries(*).

*EAS participating countries: ASEAN 10 Member States + 8 (Australia, China, India, Japan, Korea, New Zealand, Russia, U.S.)

Fields of Cooperation:

Health Research (Infectious Diseases, Cancer)

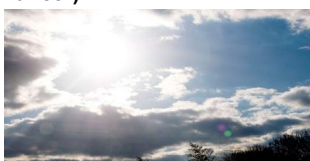

Agriculture (Food)

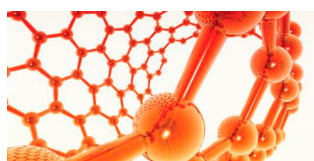

Alternative Energy

Disaster Risk Reduction and Management

Environment (Climate Change, Marine Science)

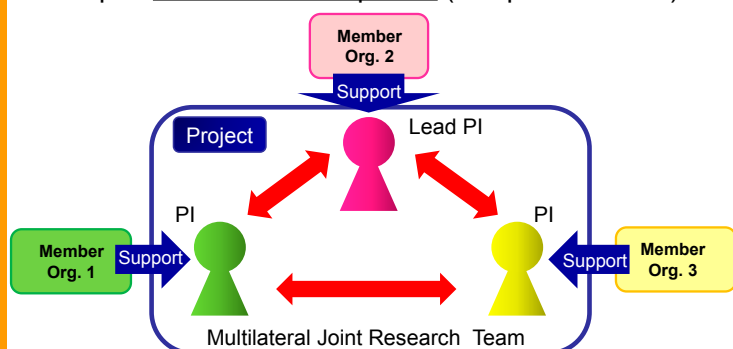

Materials (Nanotechnology)

Advanced Interdisciplinary Research towards Innovation

Major activities

- ◆ Supporting International Joint Research Projects by Multilateral Co-funds. Projects are selected through open Joint Call for Proposals (competitive funds)
- ◆ Promotion of Researcher Interaction and Information Exchange by Workshops

"Green and Bio Nanotechnology"
 Tokyo, Japan
 January 30, 2016

"Disaster Risk Reduction and Management"
 Manila, Philippines
 April 15, 2015
