Introduction

As a core and leading organization in the provision of student services, JASSO comprehensively administers scholarship loan program and international student support programs. JASSO aims to foster the development of creative individuals who, rich in humanism, will become the leaders of society in the next generation, while at the same time to promote international understanding and exchange.

JASSO has representative offices in Thailand, Indonesia, Malaysia, Republic of Korea and Vietnam to provide information and advice to people interested in studying in Japan, in cooperation with relevant organizations, including Japan alumni associations.

Main Activities in JASSO, Thailand Office

1) Providing information services and consulting services on study in Japan.

2) Implementation of the Examination for Japanese University Admission for International Students (EJU) in Bangkok twice a year.

3) Organizing Japan Education Fair in Bangkok and Chiang Mai with participation of Japanese higher educational institutions.
