Ministry of Agriculture and Cooperatives (MOAC)	Aug. 3, 2018

Thai Liaison Office provides more information and services regarding Hokkaido University and its entrance examinations to potential students.

Staffs at the office plan various events, negotiate with universities to establish inter-university partnerships, and support former international students in alumni association activities.

The office also serves as a hub for faculty members of Hokkaido University who visit Thailand for educational and research activities.

Access: approx. 80km from Bangkok  
30 km from Nakhon Pathom
