What is JSPS

<https://www.jsps.go.jp/english/>

- Established in 1932
- Is Japan's core funding agency
- Places high value on both researcher autonomy and research diversity

What does JSPS support

- From basic to applied research conducted based on the free ideas of researchers.
- Covers the entire spectrum of academic fields including humanities, social sciences, and natural sciences.

What is JSPS Bangkok Office

https://jps-th.org/jps_en/

JSPS Bangkok Office was established in 1989. It covers South and South East Asia for developing academic networks with Japan. The activities are as follows:

- Disseminate information on JSPS fellowships and research support programs
- Support JSPS alumni association activities
- Collect information on sciences in South and South East Asia
- Support young researchers to join JSPS programs
- Support research exchange of Japanese universities and institutes
- Collaborate various organizations for the promotion of exchange with Japanese researchers
